

TICKLE COLLEGE OF ENGINEERING
CENTER FOR MATERIALS
PROCESSING

HASLAM COLLEGE OF BUSINESS
ANDERSON CENTER FOR
ENTREPRENEURSHIP & INNOVATION

Apply to be a Spark Scholar!

The **Spark Scholar program** connects University of Tennessee, Knoxville, students from all majors with internships at advanced technology startups. In partnership with the **Center for Materials Processing** and the **Anderson Center for Entrepreneurship and Innovation**, the Spark Innovation Center program offers hands-on experience in materials research, product development, marketing, communications, and business development. Applications are reviewed as positions become available.

Program Details:

- Must be a full-time UT undergraduate or graduate student in good academic standing
- Must not currently hold a graduate research or teaching assistantship.
- Scholars will receive a competitive hourly wage.
- May hold another part-time campus position, provided total on-campus employment does not exceed 20 hours per week during the semester
